3.	Section 2, Part –I, Clause 3 (page 17)	<p>The specific requirement of works at ports is as under:</p> <ol style="list-style-type: none"> 1. High quality STP as per the quantum of volume of Reuse of Waste Water Management is required at the port. 2. Facility for supply, installation and successful operation of STP at Major ports 3. Correct capacities to be delivered and installed 	<p>As an emergency case, if there is existing facility at Ports, having wastewater treatment plants but requires up gradation of technology / capacity with long term Operation & Maintenance can also be looked at in the modus. Any bidder having such experience can be shortlisted based on their experience of such projects. This will enable fast track execution of the projects and provides speedy end to end solution to IPA.</p>	<p>Please refer Section 2 (Terms of Reference), Part I, Clause 3 (The specific requirement of works at ports) of RFQ.</p>
4.	Section 2, Part –I, Clause 7.2 (page 20)	<p>Bidder must have experience in design, commissioning, operating and maintenance of a minimum capacity of 1.0 MLD STP on MBBR technology during last 5 years, wherein the bidder shall be required to have Operation and Maintenance experience of 2 years (Documentary proof/declaration to be attached).</p>	<p>We suggest IPA to keep the treatment technology open and accept technologies apart from MBBR such as ASP/USB/SBR etc. Amendment should read as: Bidder must have experience in design, commissioning, operating and maintenance of a minimum capacity of 1.0 MLD STP on MBBR / ASP / USB / SBR technology during last 5 years, wherein the bidder shall be required to have Operation and maintenance experience of 2 years (Documentary Proof / Declaration to be attached)</p>	<p>Please refer to Addendum-1</p>

S.No	Clause Description	Details of Item per Tender Requirement	Query/ Suggestion	Clarifications
5.	Section 1, Clause 9.3 (page 12)	<p>The original and all copies of the bid documents (along with 2 soft copies in word and PDF format in Pen-drive) shall be placed in a sealed envelope clearly marked “TECHNICAL PROPOSAL” followed by the name of the assignment/ job. The envelope containing the Technical Proposal, Bid document fee and EMD shall be placed into an outer envelope and sealed. This outer envelope shall bear the submission address, reference number be clearly marked “DO NOT OPEN, BEFORE- 1600 hrs. of 19.12.2018”. The Employer shall not be responsible for misplacement, loss of documents or premature opening if the outer envelope is not sealed and/ or marked as stipulated. This circumstance may be case for Proposal rejection.</p>	<p>Clause 9.3 on Page No. 12 refers that "The original and all copies of the bid documents (along with 2 soft copies in word and PDF format in Pen-drive)" whereas Clause 16 on Page No. 15 specifies that "Bid Proposal (One original hard copy and one Softcopy in word & PDF format)". There seem to be an ambiguity in documents requires for submission. Please clarify.</p>	<p>Please refer Section 1, Clause 16 (Submission of Bid Proposal)</p>
