	Para-2 “Services” of Part-1 of TOR, Page-15	<p>2. Services: Empanelment of Firms/Companies for Implementation of Reuse of Waste Water Management System for at all Major Ports in India. The services under identified category shall also include but not limited to:</p> <p>i. Study of the existing processes, procedures and practices of the Major Ports where implementation of STP is needed or where it already exists and needs to be upgraded.</p> <p>ii. Assistance in defining the Policies, objectives and scope of the STP management system to be implemented in Ports.</p> <p>iii. Assistance in setting objectives, targets and a framework of review and corrective actions for achieving continual improvements in performance.</p> <p>iv. Assistance in identifying risks and suitable control measures in the process of implementation of the STP Management System. The firms/companies shall be able to demonstrate benefits realized due to the implementation of systems conforming to the above standards in addition to the certification.</p>	<p>The same objective has been established in the Para 2 (Services) of Part 1 of TOR. We reiterate that Para below;</p> <p><i>“Empanelment of Firms/Companies for Implementation of Reuse of Waste Water Management System for at all Major Ports in India.
